### SUMMER BAND/STRINGS - 2019

This year's Summer Band/Strings Program will consist of six evening sessions starting on Tuesday, July 9 and ending on Thursday, July 25. We will meet on each Tuesday and Thursday evening.

The goal of our Summer Band/Strings Program is to strengthen each student's sight-reading and ensemble performance skills. These two aspects of musicianship will not only make the individual a better player, but will make him more valuable to the band program for the next school year. Each student is *strongly urged* to attend the Summer Band/Strings Program if he intends to be a member of our program next year.

Our Summer Band/Strings Program is open to students in grades 7-12. The fee for the entire program is only **\$75.00**. (A late fee will be added after the due date.)

Please return the form below before May 17 so we may have plenty of time to order music and materials. Please return this form even if your son is not able to attend.

A schedule and information sheet will be sent to each participant in June.
