

DeMatha Catholic High School

Class of 2020

Commencement DVD

DeMatha Catholic High School is working with Dr. Gno Video Productions, LLC, to provide video coverage of the 2020 Commencement. The DVD will cover the opening graduation processional, ceremony and recessional, via designated menu options. The video will be professionally edited with custom chapters for all key commencement events. If we get more than 90 orders, Dr. Gno Videos will provide additional pre and/or post-ceremony candid footage. Total run time for the DVD is typically 2 hours and 25 minutes.

We coordinate with the National Shrine to have Dr. Gno Videos record from the front of the Shrine and to tap into the house sound system for great audio/video quality. The DVD will take the hassle out of trying to videotape the event from your seat, allowing you to sit back and fully enjoy the graduation ceremony, and provide you a wonderful archive of this event. Consider purchasing a copy for you and your son, as well as additional copies for family members who are unable to attend!
